PROBLEM STATEMENT

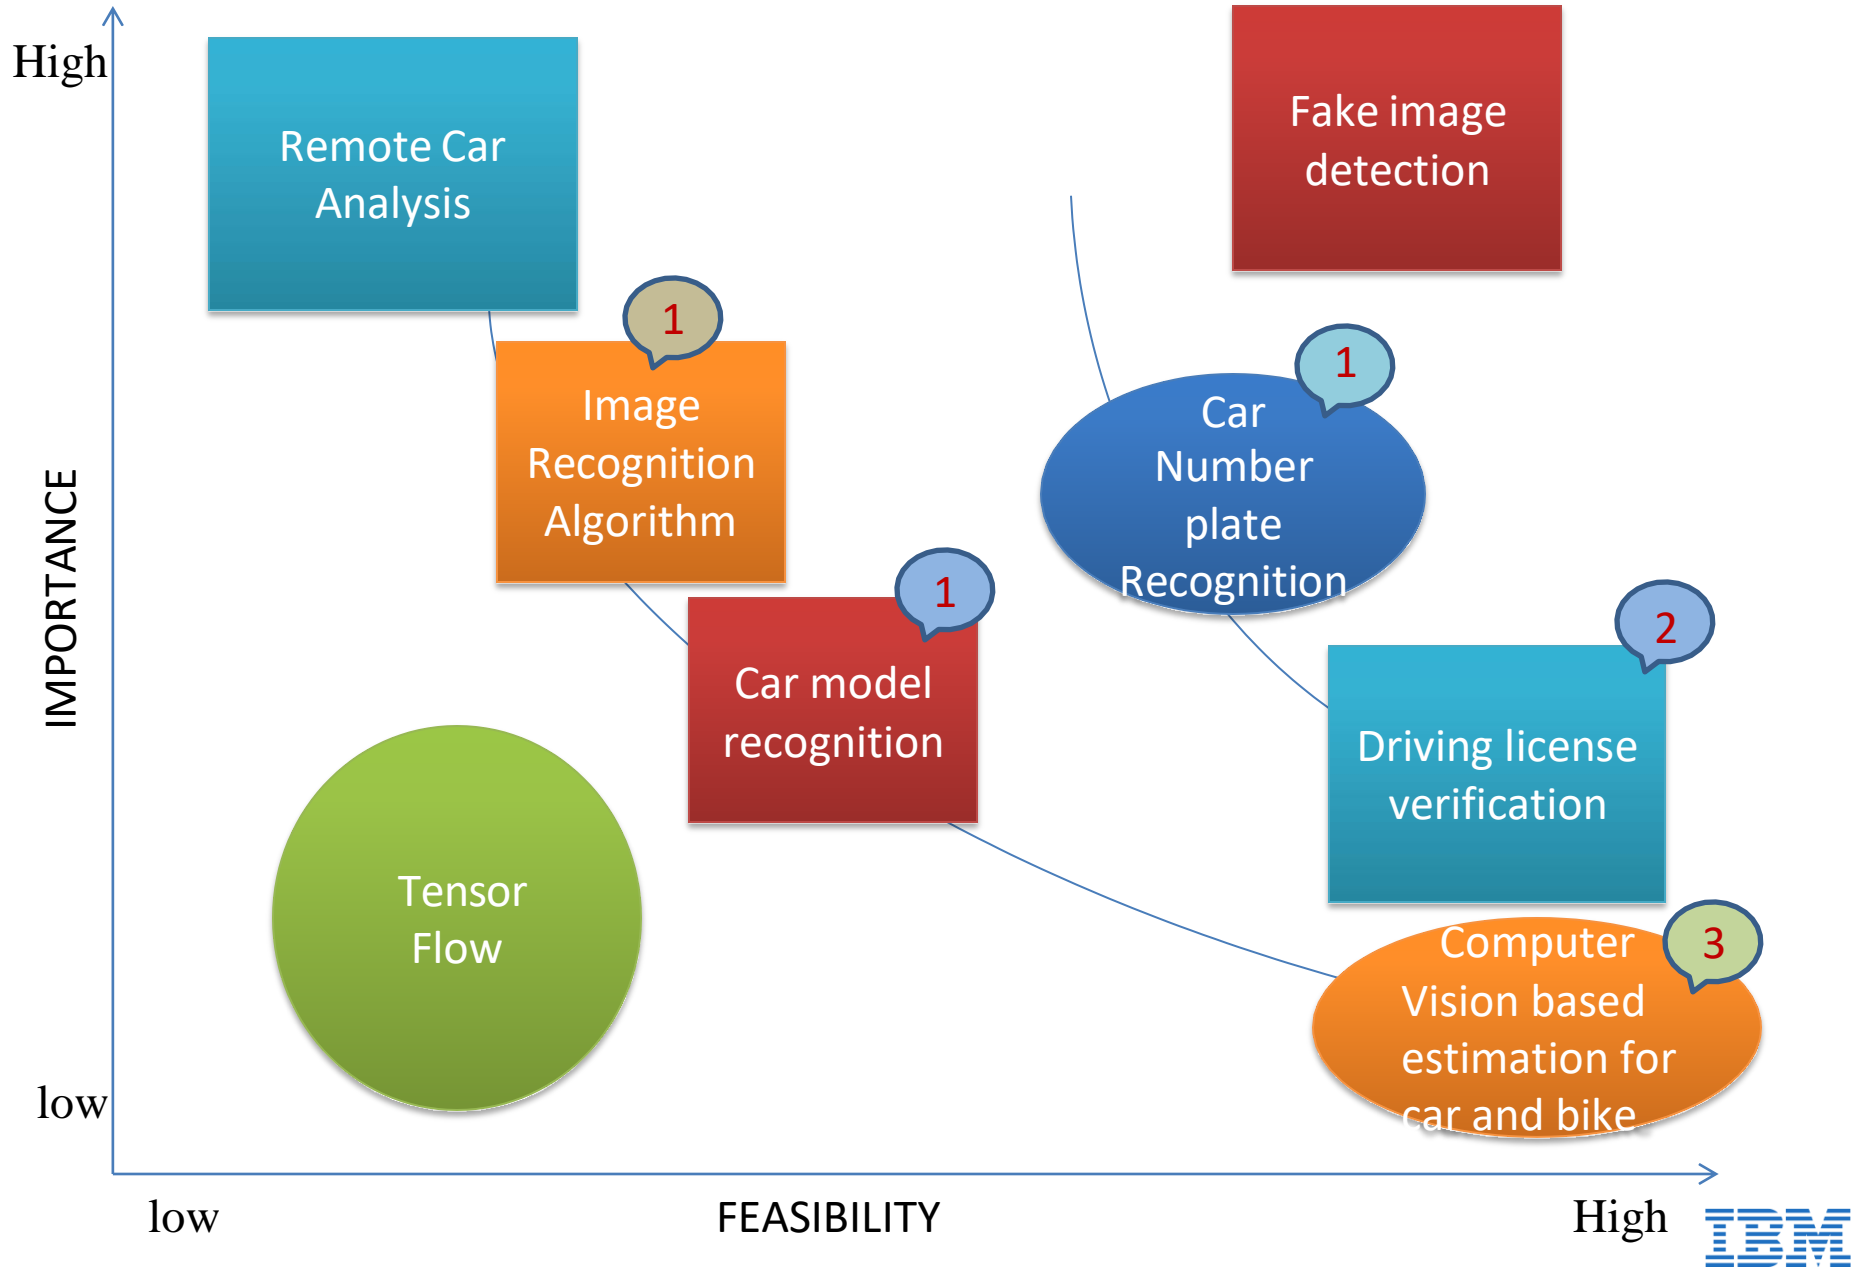

(Intelligent Vehicle Damage Assessment And Cost Estimator For Insurance Companies)

- **Automobile section is one of the most important and major sector in India . Major problem faced by the customer on insurance companies are not having idea about the cost of the damage.**
- **Insurance Companies are failing to provide right amount for the car damage and the customer not able to claim for the damage.**
- **Developing a solution which can able to identify the right cost for the damage would be beneficial for many.**

Big Idea

Idea Prioritization
